**2006 BERTL'S BEST WINNER**

Versatility is the key descriptor of the Toshiba e-STUDIO451c—from the board level—to the control panel—to input and output functions. It will meet the document demands of a busy workgroup including monochrome and colour printing, scanning with eCopy, and diverse finishing options. It has earned the distinction of BERTL's Best 41 to 50 ppm Occasional Colour MFP for 2006.

A handwritten signature in black ink, appearing to read 'Mark Adams'.
