## DATAMASTER LAB AWARDS 2019

## **BEST FIRST COPY OUT TIME**

Color A3 MFP, 30-39 ppm

This award is given on absolute results - the time it takes to deliver the first sheet in a simple copy job on a machine in a ready state.

This machine does not keep its users waiting.

DataMaster Lab is completely independent and objective.

DataMaster

INDEPENDENT LABORATORY
the printing solutions experts

**DataMaster Lab** is the only European test laboratory specializing in the world of digital printing: printers, photocopiers, MFPs/MFDs, digital presses, and related software solutions. No revenue is derived from testing. All of the **DataMaster Lab** awards are derived from tests carried out by our own test teams.
