

## CERTIFIED TOSHIBA

## REFURBISHED PRINT DEVICES

### **Toshiba provides best-in-class Multi-Function Devices (MFDs).**

These MFDs bring digitisation to the forefront, making it easy to print, connect and collaborate. Not to mention the comfort of knowing you've got the same cover as a brand new MFD!

Toshiba's refurbished print devices make your dreams a reality, helping to transform your office.

A manufacturer refurbish keeps you covered, with call out maintenance by highly trained technicians, full Toshiba capabilities and a 3 year quality satisfaction guarantee - the same as we provide on new devices.

**Get an MFD that's been restored, recreated and reimagined, without compromising quality.**

## RESTORED. RECREATED. REIMAGINED.

### **1 RESTORED**

To begin the rebuild, the removal of parts, clean and inspection takes place. All parts are thoroughly checked and parts fitted as necessary.

### **2 RECREATED**

Each area is checked off by manufacturer trained technicians, with thorough testing and changes when needed.

### **3 REIMAGINED**

The updated, refurbished device fits straight into your workplace - with ongoing support and 3 year satisfaction guarantee.
