

e-STUDIO409P

Product brochure

- Boost the efficiency of small to medium sized businesses and workgroups with this reliable A4 printer.
- Print at a speed of up to 40 pages per minute on a broad range of media and Toshiba standard high quality.
- Fully equipped with eco-friendly features and an optimised energy consumption to help save money and valuable resources.

Ready when you are

For your day-to-day business you need a reliable printer which delivers impeccable document output every time you print. Toshiba's e-STUDIO409P offers just that. With print speeds of up to 40 pages per minute (ppm) and a fast first print output time, this productive printer is ready when you need it.

Easy to install and even easier to use, this high quality device is compatible with most operating systems. The mobile printing features and network capability of the e-STUDIO409P makes it ideal for small to medium-sized businesses and workgroups.

Of course high-level security features are standard, protecting the device from unauthorised access. Contact your local Toshiba partner to find out more about the amazing value this device has to offer.

Together Information is Toshiba's vision for how people and organisations create, record, share, manage and display ideas and data.

It is based on our belief that the most successful organisations are those that communicate information in the most efficient way.

We make that possible through an integrated portfolio of industry-specific solutions, all of which reflect Toshiba's commitment to the future of the planet.
