

TOSHIBA

Certified Pre-owned Print Devices

Toshiba provides best-in-class Multi-Function Devices (MFDs). These MFDs bring digitisation to the forefront, making it easy to print, connect and collaborate. Not to mention the comfort of knowing you've got the same cover as a brand new MFD!

Toshiba's pre-owned print devices make your dreams a reality, helping to transform your office. A manufacturer refurbish keeps you covered, with call out maintenance by highly trained technicians, full Toshiba capabilities and a 3 year quality satisfaction guarantee—the same as we provide on new devices.

Get an MFD that's been restored, recreated and reimagined, without compromising quality.

- Save up to 50% on cost
- Looks and performs like new
- Minimum 3 year factory backed quality guarantee
- 30 point mechanical check
- Free Toshiba MyFleet portal access
- Financing with Toshiba certified partner
- Verified service history
- 24/7 remote updates
