CLOUD - ENABLING DIGITAL TRANSFORMATION

If digital transformation is your business goal, you’re probably planning a move to the cloud. Do you want to connect workflows to your favourite cloud service like Dropbox or Microsoft 365? Or create a paperless office? Maybe you want to protect your data against cyber-attacks. Whatever your reasons for being in the cloud, Toshiba can help you get there.

Toshiba CloudReady

Our three-phase, Toshiba CloudReady solution will help you to develop a cloud strategy, implement and optimise. We’ll guide you forward, onward and upward.

1. CLOUD STRATEGY

CONSULTANCY
Moving to the cloud requires strategic planning. We listen to your business and technical drivers to understand what you want to achieve. We’ll explore the business case and Return On Investment (ROI) for cloud.

DISCOVERY
We audit your current state, across process, organisation, technology, risk, vendors and compliance, to check for cloud adoption readiness. We’ll report back with our assessment and conclusions.

STRATEGY
We’ll recommend a bespoke strategy to meet your unique business requirements and environment. We’ll ensure a workable and cost-effective approach to meeting your specific cloud migration goals.

2. CLOUD ADOPTION

IMPLEMENTATION
We'll create a migration plan, manage governance structures and standards, risk and mitigations. We'll develop a solution architecture and run a Proof Of Concept (POC) before full enterprise rollout.

DIGITAL TRANSFORMATION
We'll help you automate processes, enhance search and retrieval, and unlock invaluable business insights. Toshiba's Kōdo Business Suite transforms invoice processing, document management, information security and business workflows.

EXPERT SERVICE PROVISION
If you're not technology experts, our Managed IT Services will provide your cloud platform for you, giving you service that allows your team to work anywhere, and frees you up to focus on other priorities.

HASSLE-FREE REMOTE MAINTENANCE
Cloud enables stress-free remote maintenance. Toshiba will check your devices for issues, consumables and updates, giving you one less thing to manage.

CONNECTING WITH INTEGRATED APPS
Add value to your cloud platform by automating your scan, file and retrieve operations, with integrations to Microsoft® 365, OneDrive, SharePoint, HPE Content Manager, Dropbox, Box, and Google Drive™ online storage service.

AUTOMATED INVOICING WORKFLOW
If you're a Small to Medium Business (SMB) looking to process invoices more efficiently, our Accounts Payable (AP) document workflow solution, Kōdo AP Cloud, will read your invoices, automatically route them to the appropriate approver and file them for easy retrieval.

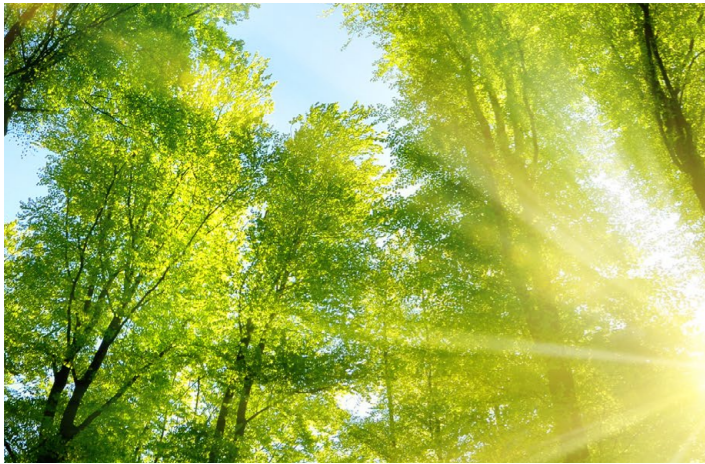

3. CLOUD OPTIMISATION

SELF-HEALING FOR MAXIMUM UP TIME
Optimise your cloud platform and minimise disruptions with Toshiba's smart self-healing software. Toshiba's Kōdo Raven remotely monitors your print devices so issues are fixed before they become problems.

INNOVATIVE TECHNOLOGY PARTNERSHIP
Take the hassle out of managing your print fleet and save up to 40% of your costs. Our managed service covers all your print devices, for fast and easy adds and upgrades.

MANAGING COSTS AND ENVIRONMENTAL IMPACT
Smart device management gives you full visibility across your cloud operations. Clear information, lets you manage systems more efficiently, reducing costs and environmental impact.

ALL JOINED UP
Integrate all your cloud applications. We'll create seamless connections giving you a fully integrated cloud solution.

INTELLIGENT REPORTING
See all your essential print fleet management information in a single, easy to access portal. Toshiba MyFleet gives you real-time insights, predictive analytics, service logs, invoices, payments and usage data - putting you in full control of your print assets.

CONTINUOUS IMPROVEMENT
We embrace the Japanese concept of the 'Kaizen' continuous improvement philosophy methodically finding ways to improve processes enhance solutions and make your work environment more effective and efficient.
