Scanning Mixed Original Sizes

This will allow you to scan multiple originals from either the document feeder or the glass allowing you to swap between both during the entire job scan.
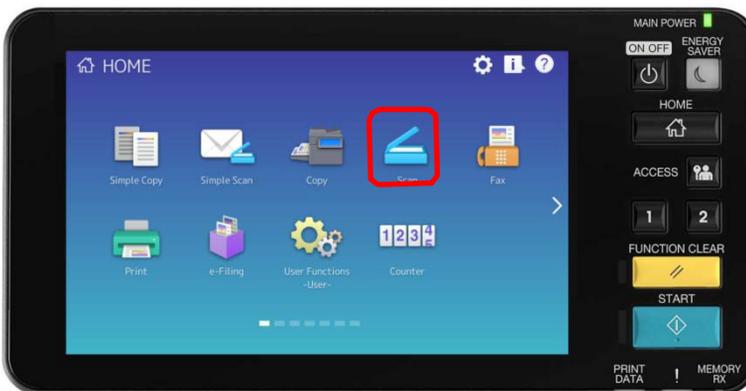

1. Select "Scan"
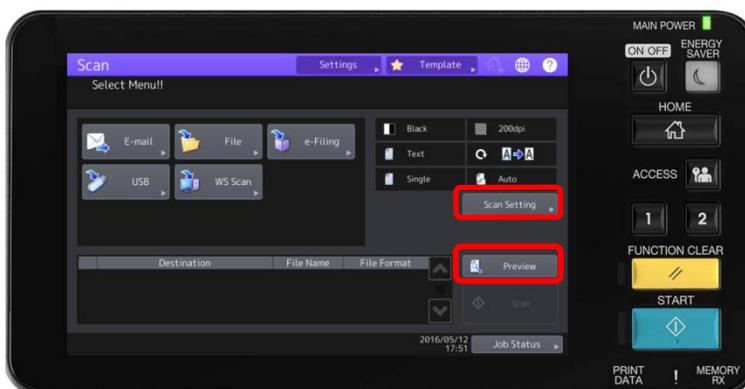

2. Select "Preview"

3. Select "Scan Setting"
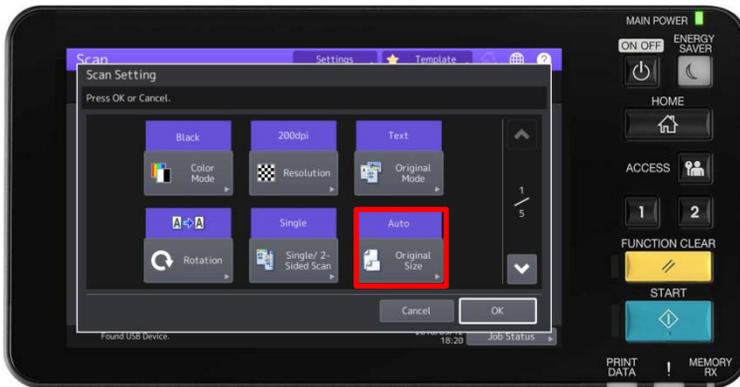

4. Select "Original Size"
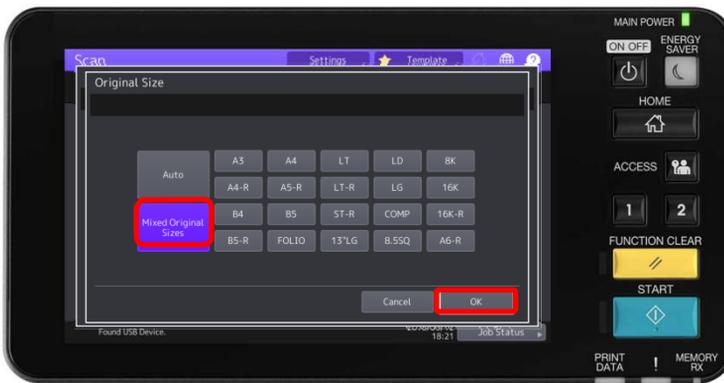

5. Select "Mixed Original Sizes" Then select "OK"

Select your destination (E-mail, USB etc.) and start your scan job.
